SUPERINTENDENT'S MESSAGE

On behalf of the faculty and myself I would like to congratulate the entire student body for a pleasant and productive year. We feel that the students of Hanover have displayed a fine spirit of cooperation both in classes and in extra-curricular activities. We, the faculty, feel we have been able to do a better job because of this cooperative attitude. We feel there has been a good balance between work and play and hope that you have been pleased with this school year. We would like to wish each of you success and happiness in the years ahead.

DEDICATION

So much separates two generations that it is impossible for them to completely understand each other, but Mr. Murphy, we thank you for trying to understand us. We thank you for giving your time to us, time which you could have spent watching your own children grow up; for taking a personal interest in us, instilling in us a sense of right and wrong, and for so many other things which we will not long forget, we are grateful.

And so in appreciation we dedicate the 1966 Revonah to Mr. Murphy and his family.

When liking turns to loving

I'm a man

It's been a hard day's night

These boots were made for walking

What a day for a daydream

Things go better with Coke!

Won't you come home Bill Bailey?

Splish! Splash!

A DAY AT H. H. S.

"You see!"

"I'll knock your heads together!"

"And now for a timing. . ."

To everything there is a season, and a time to
every purpose under heaven; A time to be born,
and a time to die; a time to plant, and a time
to pluck up that which is planted;
A time to kill, and a time to heal; a time to
break down, and a time to build up;
A time to weep, and a time to laugh; a time
to mourn, and a time to dance; . . .
A time to get, and a time to lose; a time to
keep, and a time to cast away;
A time to rend, and a time to sew; a time to
keep silence, and a time to speak;
A time to love, and a time to hate; a time of
war, and a time of peace.
